Comments	<input type="text" value="I strongly object to this warehouse being built whilst the other two are still standing empty and have been for about a year now. The traffic in Banbury and surrounding area already cannot cope at peak times so adding another warehouse onto the main island would cause even more congestion. This often impacts my decision to not go into the town centre as much anymore. We do not need any more reasons to drive the community away from the heart of the town. I object strongly to this application."/>
