Comments	<input "="" type="text" value="Why on earth would you want to be allowing more warehouses to be built on this motorway Roundabout, that is already a bottleneck, and also a real traffic hazard as it stands now, Also it's planned to be built on ancient ridge and furrow ground, that should be preserved, and certainly not covered in concrete, it will be a real disgrace if this is allowed to go ahead, and anyone that agrees for this to go ahead, should be held responsible for any accidents etc that happen in this area, the Roundabout as it is, is not fit for purpose, and certainly was not designed for this sort of usage, councillors should hang their heads in shame if they wave this one through,"/>
