Andrew – Begbroke response.

Langford Lane application 23/00517/F was discussed on April 11th. However, due to the numerous documents and complexity of information, it was difficult to give a reasoned opinion.

It was noted that HGV lorries must use the A44 and will not be permitted towards Kidlington and that cycle routes are to be provided which are *essential* in this road.

It was also noted that vehicle use is bound to increase through Begbroke in addition to all other current and future developments, but should provide benefits including job opportunities. There we no other comments

Jeff,

Thank you for your email. The application will not be considered before your meeting on 13 April 2023 and as such your comments can be submitted after the meeting. The matter you raise is a matter you may wish to raise with the County Council for clarification. Thanks

WEE need more time to consider this. We do not have a meeting until 13th April.

This will affect Begbroke with no crossing as all HGV vehicles will have to use the A44.

2.4.4 Within the Oxfordshire County Council Kidlington LCWIP, proposals for improved cycle facilities along Langford Lane are described as follows: • Introduction of a HGV ban (except for access) on Langford Lane between the Airport access roundabout and Banbury Road. This will route all HGVs via the A44
