Subject: Conservation consultation response 23/00667/REM

Dear Chris

Thank you for consulting the Conservation Team on the above application. The site is not within a conservation area and there are no Listed Buildings within the proximity of the site. It appears that the Conservation Team were not consulted and did not comment on the outline application, therefore it is not considered necessary for us to provide detailed comments on the current application.

If however you consider that further advice is needed please do not hesitate to contact the Conservation Team.

Kind Regards

Emma Harrison
