Comments	<input type="text" value="I am writing regarding the proposed 15.0m Phase 8 Monopole C/W wrapround Cabinet at base and associated ancillary works.

As per my previous concerns and objections when this was applied for last time, this proposal is completely out of keeping and damaging to a conservation area in a village. There must be much more beneficial sites to erect this mast, as any visit to the site would prove.

Yours sincerely

Tracey Shaw"/>
