Subject: 23/00750/TEL56 Street Record, Station Road, Kirtlington

Hi Gemma

I have looked over the above planning application and have the following comments:

Planning application:	23/00750/TEL56
Location:	Street Record, Station Road, Kirtlington
Description:	Proposed telecommunications installation: Proposed 15.0m Phase 9 slimline Monopole and associated ancillary works
Case Officer:	Gemma Magnuson

Recommendation:

Oxfordshire County Council, as the Local Highways Authority, notifies the District Planning Authority that they **do not object** to the granting of planning permission.

Comments:

The proposed mast and cabinets will not adversely affect visibility for drivers.

The proposals are unlikely to adversely impact the local highway network in traffic and safety terms. OCC does not object to the granting of planning permission.

If you would like to discuss any of the above in more detail, feel free to contact me.

Regards,
