Dear Ms Magnuson,

I have tried and failed to attach my pdf response to application 23/00750/TEL56 on the CDC planning website. I have tried several times to obey the instruction to attach a document, and the correct filename showed but never went into what looked like the appropriate box but always stayed above beside the instruction.

So, my apologies but I am sending it directly to you, attached to this email. Please let me know if that is OK, or if I must try again to attach it via the website.

Best wishes for your efforts to deal with this returned application on a site already refused by PINS! I hope the attached helps you.

Yours, Helen Macbeth
