<b>Comments</b>	<input type="text" value="The infrastructure is not set up for more houses and people in this area. My Son travels 4 miles each way to School as there are not enough spaces in the local Secondary School. Our doctors and dentist are both 5 miles away and the traffic is at a standstill in the rush hour. There is no point building infrastructure after these houses are up as this just makes it unbearable for the people who already live here and have to deal with all the upheaval this all brings."/>
