Comments	<input type="text" value="I strongly object to the application to build another housing development, which will join Hanwell to Banbury.

It will completely ruin the historical rural village as well as adding more traffic to this side of town when the roads are already SO busy.

If they continue to build further and further North of Banbury all the villages will be swallowed up and it will ruin the town.

People live here because they want to be near the countryside and there's going to be no countryside left! We cannot let this happen."/>
