<b>Comments</b>	<input type="text" value="I object to the application for the following:&lt;br/&gt;The village Main Street is already used as a cut through to and from Southam and Warwick Road. The road and footpaths are in a terrible state , the road is potholed and subject to substandard filling in places. The paths are eroded and narrow and are often mounted by passing vehicles due to the narrow road, in places it is single vehicle only. This makes it unsafe to walk . Additional housing surrounding the village WILL add to the traffic. I would like the council to explain how this will be addressed and what is going to be done about the continuing problem with cut through traffic and the health and safety issues it creates."/>
