| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="Banbury does not have the infrastructure or facilities to cope with more housing. The drs dentist hospital can't cope with the huge increase in residents to Banbury which was once a market town. The roads or heavily congested parking is a joke on verges pavements and schools where I live is grid locked due to the increase in children attending the school. It is the same in all schools"/> |
