Address	<input type="text" value="20 Hardwick Hill, Banbury, OX16 2DA"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<p>Another completely unnecessary proposed development that will heap even more pressure on already crumbling local infrastructure.</p> <p>Southam and Warwick Rds, and the area between, are already heaving under intense traffic pressure at key times, this just adds more traffic, and pollution, and wear and tear to roads that are already in dire condition and distinctly lacking repair.</p> <p>The local schools are already bursting in capacity, and amenities such as NHS Drs and dentists are overloaded and unavailable for local residents. Heaping more bodies on the area is a recipe for disaster and will inevitably lead to collapse of woefully underfunded local infrastructure.</p> <p>The plans offer nothing to help alleviate any of the above issues, whilst simultaneously causing massive environmental impact to local people, flora, and wildlife.</p> <p>This is nothing more than a crass cash grab from a soulless developer and local business interests.</p> <p>There are perfectly suitable derelict brown sites in and around the town, including a half defunct shopping centre, that would be better suited to redevelop instead of destroying more countryside and local communities.</p>
