Comments	<p>I fully object to this planning application for the following reasons:</p> <p>The joining of the Banbury urban area and Hanwell village</p> <p>The negative impact on setting of the conservation area and heritage assets</p> <p>The intention to develop a site that CDC has assessed as clearly "not suitable" for development</p> <p>The erosion of an important gap of undeveloped land, that is protected under existing planning policy</p> <p>This development will cause loss of an important, prominent landscape feature that adds to the character and identity of open countryside north of Banbury.</p>
