Comments	<p>Please stop destroying our countryside and villages, the only people gaining from these developments are the housing developers. I know it's easy to pass these big developments so that the council can meet their numbers here housing is concerned but this can be done so much more sympathetically without ruining our precious open spaces which are the home for so much wildlife.</p> <p>Flooding is clearly a problem and will only continue to get worse as we lay more and more concrete where once rainwater would have drained away safely.</p> <p>I strongly object!</p>
