Address	<input type="text" value="37 Bennett Drive,Banbury,OX16 1HX"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Continually making houses that people cannot afford and that are of poor quality isn't the answer. You need to stop chomping away at the green spaces and reinvent houses that are not economically efficient that are closer to town and reinvent the centre. Loads of houses with large gardens closer to town could be revamped with more than one property. You do not provide any transport or doctors surgeries, schooling and local shops meaning people have to travel for basic means causing more traffic and more hassle to everyone. Coming into banbury and seeing run down houses and disused spaces really doesn't make banbury look inviting nor does taking the lazy route of destroying green spaces with shoddy developments which costs too much that families can't afford it. I had no choice to buy new due to help to buy but if I didn't have it I couldn't afford my home. I can't now get a bigger home as even though wages have gone up, we can't compete with the house prices banbury now has meaning a small family like us is cramped in a small space. Disappointing how lazy this council is."/>
