Comments	<input type="text" value="Shouldn't be approved as Banbury has too many new developments going up, no improvements made to the roads, GP. To reduce traffic Banbury should have a second junction on the M40 by Bodicote or something to reduce congestion along Hennef Way. CDC continues to money-grab all the sales and council tax from these new builds, does nothing to improve infrastructure apart from a vanity project of a new cinema in town centre that wasn't needed by anyone. Fill the empty units in Castle Quay, stop taking all the money from all these new builds and taking council tax but not even fixing roads, or even the basics."/>
