Comments	<p>Why is this application even being considered, it is not in the current local plan and there are still many applications given approval still not commenced.</p> <p>With the latest extension to Hanwell Fields a hedgerow was incorporated to act as a barrier between Banbury housing development and the Rural village of Hanwell, what happened to the two field agriculture land being retained, if this application is approved Hanwell will become another Bodicote, absorbed in the Banbury.</p> <p>Cherwell district Council has a duty of care to maintain the villages of North Oxfordshire; Drayton has already become part of Banbury, Great Bourton is becoming close, where next, North Newington, Wroxton, Horley</p> <p>Time for CDC to stand up to Government and oppose future development in North Oxfordshire</p> <p>Government plans fo levelling up appear to be ignored with thousands of acres further north undeveloped.</p> <p>.As a country we are becoming desperately short of self produced food, this development on Grade 2/3 agricultural land should be refused.</p>
