Comments	<p>I wish to object strongly to the development of these houses in this location. It is against the Green Belt Policy.</p> <p>It would make sense if planning permissions complied with The Countryside Code.</p> <p>This development will make utterly negative impact on the wildlife and people's wellbeing, depriving them more and more of green space.</p> <p>This development will wipe away the boarder between Banbury and the historic Hanwell Village. Both residents of Hanwell and Banbury appreciate walks around the fields for their mental and physical health, on top of that the field has agricultural value and we should not forget about the Green Belt.</p> <p>Also there is no infrastructure for Banbury to keep growing. Roads are jammed, air is polluted, there are not enough surgeries, nurseries and schools.</p> <p>The countryside should not be wiped away, please consider brownfields for future developments.</p>
