Address	<input type="text" value="Roselands,2 Main Street,Hanwell,Banbury,OX17 1HL"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input development;<br="" for="" not="" suitable"="" type="text" value="I object because the proposed development would:
be contrary to the Cherwell Local Plan (and Draft Local Plan) and related spatial planning policy;
Cherwell District Council has approved a new housing land supply statement, which demonstrates that the district has a 5.4 year housing supply for 2022 - 2027, so this development is not needed;
will develop a site that CDC has assessed as clearly "/> erode an important gap of undeveloped land, that is protected under existing planning policy as a green buffer between town an village; result in the coalescence of the Banbury urban area and Hanwell village, contrary to adopted planning policies; have a negative impact on setting of the village conservation area and heritage assets of Hanwell (Grade 1 listed church, grade 2* listed castle); result in piecemeal housing development in the open countryside, outside the built-up area of Banbury; cause loss of an important, prominent landscape feature that adds to the character and identity of open countryside north of Banbury; have adverse impacts on the environment & biodiversity, wildlife here includes many small birds and also red kites, hobbies, kestrels and buzzards as well as animals and insects; cause loss of high-grade- (Grade 2 and 3a) farmland crucial for sustainable farming and food security; put strain on existing local infrastructure eg hospitals, schools, doctors etc also water and sewage and have a detrimental cumulative impact alongside other nearby developments; cause traffic congestion, access and safety problems; result in loss of amenities such as green spaces; result in the loss of important public views;"/>
