<b>Comments</b>	<input type="text" value="When we brought our Home three years ago we were sold it with the guarantee the farmers fields would stay.&lt;br/&gt;If we wanted to live in the town would have.&lt;br/&gt;We love the idea of having foxes badgers rabbits when we go out for walks. My grandchildren also live on the estate. We currently have a lovely quality of life.&lt;br/&gt;I object to the idea of having noisey solar panels on the land next to our homes.&lt;br/&gt;Do we really know the effects they have on our environment?"/>
