<b>Comments</b>	<input type="text" value="I object to the plan to build 170 more dwellings on farmland on the outskirts of the exponentially expanding town of Banbury. The reason I am objecting is that the infrastructure is already at breaking point. Schools, doctors, dentists, roads and basic facilities are all overwhelmed. There have been major developments on every road out of Banbury already, as well as on many green fields surrounding the town. Surely this new plan is totally unnecessary."/>
