<b>Comments</b>	<input type="text" value="I object to the proposed development of both the housing and solar farm sites. Banbury and the surrounding villages have grown exponentially in recent years putting strain on the infrastructure including GP's and dental provision. Also the wildlife in the area is under a constant strain of loss of habitat food etc, this is underpinned by most of the wildlife agencies and if lost it will never return. Recent events show that this country needs to be more resilient in local food production, the land planed to be taken is prime farmland and would be a massive loss."/>
