<b>Comments</b>	<p>I wish to object in the strongest terms possible to this planning application for the following reasons</p> <ol style="list-style-type: none"><li>1. The site of this proposed development is not allocated for development. Permitting the application would be contrary to the adopted Cherwell Local Plan 2011-2031 and to the draft local plan and related special planning policy</li><li>2. The Council's latest housing land supply statement demonstrates that Cherwell already has a 5.4 year housing supply 2022-2027 therefore there is no need for this development to go ahead, in contravention of the local plan</li><li>3. This site is prime agricultural land and needs to be protected from development so that it may continue to provide us with food</li><li>4. This site is the last remaining space between Banbury and the ancient village of Hanwell. Should the site proceed to building, the identity of Hanwell village will be lost for good which would be tragic</li></ol>
