<b>Comments</b>	<input type="text" value="I strongly object to the above planning application of further housing between Banbury and Hanwell&lt;br/&gt;Hanwell is a charming historic rural village, which would be lost forever if the planning went ahead, and it became part of Banbury.&lt;br/&gt;In addition the loss of valuable farm land is a tragedy, especially at a time when our country needs to become more self sufficient, as well as depriving farmers of their livelihoods.&lt;br/&gt;Important animal habitats are diminishing and this would add to their decline which is another tragedy. Soon we will have very little wildlife left, and we owe it to our precious animals and birds to preserve their homes and food sources.&lt;br/&gt;The beautiful green landscape will be ruined forever, and is something that would be regretted in a very short time, and ruin quality of life for animals and humans.&lt;br/&gt;In addition traffic congestion would increase, resulting in further pollution at a time when we should be reducing it.&lt;br/&gt;&lt;br/&gt;PLEASE don't let this happen, it would be heartbreaking and devastating in so many ways."/>
