Comments	<p>I object because the proposed development would: be contrary to the Cherwell Local Plan (and Draft Local Plan) and related spatial planning policy; result in the coalescence of the Banbury urban area and Hanwell village, contrary to adopted planning policies; harm an area of high landscape value; have a negative impact on setting of the conservation area and heritage assets; Cherwell District Council has approved a new housing land supply statement, which demonstrates that the district has a 5.4 year housing supply for 2022 - 2027, so this development is not needed; develop a site that CDC has assessed as clearly "not suitable" for development; erode an important gap of undeveloped land, that is protected under existing planning policy; result in piecemeal housing development in the open countryside, outside the built-up area of Banbury; cause loss of an important, prominent landscape feature that adds to the character and identity of open countryside north of Banbury; have adverse impacts on the environment & biodiversity; cause loss of high-grade- (Grade 2 and 3a) farmland crucial for sustainable farming and food security; cause traffic congestion, access and safety problems; result in loss of amenities such as green spaces; result in the loss of important public views; put strain on existing local infrastructure; and have a detrimental cumulative impact alongside other nearby developments.</p>
