Comments	<input "="" type="text" value="This proposal is one step too far. With all of the relentless developments that have already been built. Hanwell deserves its village status with the wealth of conservation and heritage it has. The fields are used for purposes of farming and there are footpaths and view of the countryside which would be lost not just for the benefit of the village but of all the new developments which have arrived. Hanwell has a problem with traffic as it is used as a cut through and this again would further exacerbate the problem,"/>
