Comments	<input type="text" value="Have close family & relatives born in this village going back very many generations. Have close family buried in this wonderful village church yard that will not stay a village if it is joined up to the town of Banbury. Why should these villages be destroyed? More people using the local amenities and roads. Haven't too many houses already been built? are all these houses necessary when we don't seem to be able to afford road repairs and money spent on schools and doctors surgeries in other areas of the town for newcomers."/>
