Address	<input type="text" value="3 Melrose Court,Banbury,OX16 1AE"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<p>Having grown up in a village I appreciate the village lifestyle and the community feel you get from living in a village, it's something that can't be matched in a town and losing that will have a negative impact on the residents of Hanwell.</p> <p>I am one of the many people that use these fields for exercise. They are used for running, walking, dog walking. If they are built on where do you expect people to exercise? They have already lost use of the fields on the other side of the road, towards Drayton, and the options are rapidly decreasing. In this day and age green spaces should be preserved</p> <p>Has any thought been taken of the lack of infrastructure for an additional development in Banbury? With the current traffic levels all it takes is for an accident on the motorway or in town and the whole town grinds to a halt. How is the town going to cope with additional traffic levels?</p> <p>There are also people new to the area that are unable to sign up to an NHS doctors or dentists and other people have to wait ages for an appointment, this will only get worse with an additional development.</p> <p>Is it not bad enough the local villages, such as Bodicote and Drayton, have already been swallowed up by Banbury? The remaining local villages need to be protected and kept as villages</p>
