Comments	<input type="text" value="Historic villages all around Banbury are being swallowed up by development. There aren't the local services, road infrastructure etc to support these new houses. Wildlife habitats are being destroyed. We have thousands of homes being built in Banbury already. On what grounds do we need even more? And why won't you listen to locals and their objections? Or is it that money and government tick boxes are more important than communities these days?"/>
