| Comments | <p>We are a rural community, which is suffering from greed. The continued building works is stressful for all residents who wish to live a peaceful life. The wildlife, air quality and general well being of our villages is being ruined.</p> <p>Excessive build up of traffic, stretched resources and a ruination of the community is a disgrace.</p> <p>We have already suffered excessive developments and you are putting entire communities under stress that they do not deserve.</p> |
