<b>Comments</b>	<input type="text" value="To build even more houses and estates on such beautiful, peaceful countryside land would be criminal. The extension of hanwell fields into banbury and the new estates up the southam road have already become a familiar eyesore to villagers - why ruin a beautiful, historic village such as hanwell with yet more useless gentrification for banbury. Aside from this, unless there are plans to expand/widen the road networks throughout hanwell, local traffic will worsen even more than it already has. small, single track country lanes such as the road connecting the southam road to hanwell are not designed to handle heavy traffic. This would cause unnecessary congestion, commuting stress and yet more trouble for the people living in hanwell and surrounding villages. Please think of the people and homes already present, and prevent the ridiculous urbanisation of such a small idyllic village."/>
