<b>Comments</b>	<input type="text" value="As a resident of Great Bourton I OBJECT to the development of rural land to the north of Banbury for housing, effectively connecting the village of Hanwell to Banbury. There is already large developments in Hanwell Heights and Cherry Fields and Hardwick Hill, and a new development west of the Southam Road just commencing. It's enough. The green corridor to the north of Banbury must be protected as a living lung to protect the health of everybody living in thr vicinity of the M40 motorway and the industry of Banbury. Please keep our rural villages separated and retain their rural character."/>
