<b>Comments</b>	<p>We would wish to object to the above application. The proposed development by reason of its innappropriate scale and unnessessary siting will have an adverse and negative impact upon the land which is at present open countryside and presumably of high agricultural value. This land therefore, forms a vital buffer zone between the existing built up areas of urban Banbury and the historically important rural villages that surround the town, of which Bodicote has already now been incorporated into greater Banbury, a fate that awaits the other villages such as Hanwell and Little Bourton to name but two if this trend is allowed to continue.</p> <p>We would therefore urge the Council Planners to resist this expansion at all costs before the rural character of this area is lost forever.</p>
