Comments	<input type="text" value="I object as it is limiting the amount of agricultural land in the area of which a large amount has already been sold off. It is contrary to the Cherwell Plan and will result in Hanwell being absorbed into Banbury. Hanwell is a conservation village and this development will erode its historical significance and devalue its properties. It will harm an area of landscaped value and will result in no barrier between village and Banbury. It will combine with already agreed applications and put a strain on comprehensive schools, surgeries and hospitals."/>
