Comments	<input type="text" value="We moved from London 5 years ago, as my asthma was caused by pollution. In this time we have seen so many beautiful areas destroyed by new houses! We love Hanwell walks and the church is beautiful! More houses, more pollution, more traffic, countryside ruined, the impact it has on the wildlife! And as for the poor residents of Hanwell village, surely this can't go ahead. Banbury can not cope now with the increase of housing, doctor surgeries can not keep up with the demand of new patients. It doesn't create new jobs, it just creates a concrete jungle."/>
