<b>Comments</b>	<input type="text" value="I object to this planning application because there has already been significant growth of the Hanwell Fields area which has decimated the local countryside, displaced wildlife, brought a big increase in traffic through the estate and placed a strain on existing resources.&lt;br/&gt;&lt;br/&gt;Families are having to travel further to get their children into schools as Hanwell Fields School isn't big enough to support the estate, the newer Cherry Fields school is a long walk through the estate and up the busy main Southam Road.&lt;br/&gt;&lt;br/&gt;There are not enough green spaces for recreation on the current estates, many people use the surrounding countryside between the estate and Hanwell village to enjoy walks or bike rides."/>
