Comments	<input type="text" value="I would like object this planning permission. It does not fit within the Cherwell Planning policy or even the direction the Oxfordshire council or the UK government policy sets out. It is converting further prime agricultural land into residential land when the UK is struggling to supply crops or food and we have to import more and more. The proximity of the conservation area of Hanwell will be compromised by the proximity of the development and also the value of the property within the village will be affected. So for those reason. I would like to object against this planning permission."/>
