Comments	<input type="text" value="I travel to work daily from other side of Banbury, the construction of 170 new houses will cause massive destruction to my route to work either by making me late or having to leave a lot earlier to avoid the traffic. I had similar issues with construction in Bloxham happening for months, every day if different and you never knew how much traffic you were facing or how long it would take to get to work. Further more it will result in the loss of important public views; I work in a beautiful place and have a stunning route to work it would be a shame to see this gone."/>
