Comments	<p>My objections to the above application No23/00853/Out We moved from Manchester, to live in a beautiful village, with outstanding green fields open spaces . Then to have to live with more Houses, from which we then loose are fields open spaces. The fields are needed for food production, not more houses. We will then loose insects i.e Bees, other creatures that live in this enviroment. Then we will have for years, traffic lights road works road disruption, noise.</p> <p>Hanwell Village will no longer, be classed as a village. This Application will cause further request for more Building Applications, in the near future should the Application be passed.</p> <p>My OBJECTION IS FELT VERY STRONGLY.</p>
