

Comment for planning application 23/00853/OUT

Application Number	<input type="text" value="23/00853/OUT"/>
Location	<input type="text" value="Land East Of Warwick Road Drayton Warwick Road Banbury"/>
Proposal	<input type="text" value="Outline application for up to 170 dwellings (Use Class C3) with associated open space and vehicular access off Warwick Road, Banbury; All matters reserved except for access"/>
Case Officer	<input type="text" value="Richard Greig"/>
Organisation Name	<input type="text" value="Aleks Skwirzynski"/>
Address	<input type="text" value="Witzend Cottage,8 Main Street,Hanwell,Banbury,OX17 1HN"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I would like to object to this application as this proposed development would join the village of Hanwell onto Banbury, thus destroying the character and integrity of this beautiful village. This development would compromise the green buffer that has been in place as a boundary to the edge of the town. The proposed development would also harm the character and heritage assets of Hanwell. The 12 th century Church would have a clear view of the proposed houses. Cherwell District Council have already identified their land supply as being 5.4 years therefore there is no need to contravene the Local Plan. Additionally, the Local Plan does not include this land and nor is it included in the new draft Local Plan. This is good agricultural land that should be protected for growing crops that are urgently needed to secure our food supplies. Also, the land is a natural habitat for a range of wild animals and flowers. There are badger setts on the land and under the Protection of Badgers Act (1992) these must not be disturbed. The site also has ancient remains that should be protected and not destroyed forever by building homes. Finally, the pressure on key services is now at critical level with Doctors, Dentists and Schools being heavily oversubscribed. I therefore strongly object to this planning application."/>
