Comments	<p>This development should not go ahead for the following reasons:</p> <p>176 houses is a vast number to attach to a rural setting.</p> <p>Hanwell is a village setting and needs to be preserved as such. It has history seeping through with the Castle and Church buildings alongside ancient farm buildings and land. It is not and never should become a part of the town.</p> <p>There would be further loss of productive land, destruction of flora and fauna habitat, light pollution and loss of beautiful views.</p> <p>The village road network is not robust enough for the increased traffic use, and is already used as a local 'rat run'. Furthermore Banbury road network is already overstretched with daily traffic congestion at any times of the day not simply peak times.</p>
