Comments	<input type="text" value="I strongly object to the proposed planning application. This will harm the local environment causing increased traffic along an already busy road. This would harm an area of high landscape value and the setting of Hanwell Conservation Area and it's heritage assets. Views from the village which should be protected will be obstructed. The draft of the emerging Local Plan 2040 does not allocate this site for development. This proposal would result in the loss of important public views and the loss of green space."/>
