Comments	<input type="text" value="We moved to Hanwell village because it is a village. We previously lived within the M25 and decided that we were fed up of the traffic, lack of greenery and over crowding. Just a little over a year after we have moved we are now potentially facing these exact issues again. It's not fair on the residents of Hanwell village, many of who have lived here for decades, to potentially be surrounded by development traffic, noise and sights and eventually characterless new builds, when Hanwell itself is full of character and charm. I wanted my children to grow up surrounded by green fields and woodland and all the advantages that this environment brings with it. I fully object to this planning application."/>
