Comments	<p>Please see attached my objection to the planning application 23/000853/OUT. I am STRONGLY OBJECTING to the proposal.</p> <p>Considerable effort preparing the attached objection reflects my love and passion for the place I live. It is a tribute to Hanwell village and the surrounding countryside, which is home to my children, my family and friends. I also recommend to you the objections they have each submitted to this proposal.</p> <p>We do not have the same level of resources as Vistry Homes who are able to pay numerous planning consultants and specialists to support their application. However, we do have more fight and vigour to contest this application. We are motivated by more than money. Sometimes it can feel like 'David versus Goliath' but that proves that the underdog can win. Deep down we have faith that our planning officers in Cherwell will resist such inappropriate development where benefits are outweighed by the harms.</p> <p>What we have on our side is desire to make the case against building yet more houses in the gap between Hanwell and Banbury, which has already been significantly eroded. We want to protect, conserve and enhance rural villages in Cherwell.</p> <p>My objection reflects research to understand and identify relevant parts of the planning framework. The attached report sets out the numerous material considerations which our local planners must take into account. When you weigh up these considerations alongside all other evidence, I argue that you must decide to REFUSE this planning application.</p>
