<b>Comments</b>	<input type="text" value="Will lead to the destruction of wildlife habitats and most important countryside areas for recreational purposes such as morning runs and dog walking. Will lead to increased traffic burden on an already burdened road infrastructure, and the destruction or erosion of local identity and culture via new tenants and increasing absorption into Banbury's limits. Removal of viable land for farming or other agricultural use which cannot be reclaimed once built on. Increased construction traffic will damage local infrastructure as has already been previously observed on the Hanwell fields/Warwick road stretch."/>
