Comments	neighbour I object to this application because of the following 1, the urbanisation of an historic village into the town of Banbury 2, increased flow of traffic and noise in a rural setting. 3, The loss of more agricultural and open spaces 4, Added strain on already over loaded facilities such as drs/schools and dentists 5, The loss of open areas for local residents to enjoy and use. 6, Banbury infrastructure is already overloaded and yet another increase in population and cars is just not viable. All of the above I believe a reasons for this application to be rejected
