Comments	<input type="text" value="North Oxfordshire and South Warwickshire have seen considerable housing development. There has been little or no thought to improving the local infrastructure to coincide with this. Consequently, roads are getting busier and amenities are limited. This development will only accentuate this. The north Oxfordshire landscape is being scarred by ugly buildings. Village life will be consumed, not only to the villagers but to those who love to visit such vital parts of traditional English culture. Enough is enough."/>
