<b>Comments</b>	<input type="text" value="I strongly object to Vistry Homes building 170 houses between Banbury township and Hanwell Village on the northern boundary of Banbury.&lt;br/&gt;&lt;br/&gt;This development will result in the disastrous loss of the village status of Hanwell village, with its historical importance of Hanwell Castle and grounds, currently an important archaeological site.&lt;br/&gt;&lt;br/&gt;The land area site has been declared by CDC as not suitable for development -it is rich arable land (grade 2 and 3A) and vital for our food supply chains, severely threatened by world problems such as the Ukrainian war -and is protected under the existing planning policy.&lt;br/&gt;&lt;br/&gt;The highly negative impact of further developments on green spaces and loss of natural habitats has a devastating impact on our wild life, our bird population has been diminished by 73 million since the seventies.&lt;br/&gt;&lt;br/&gt;The traffic issues and road problems are already clearly evident round and through the village and this development would serve exacerbate these troubling issues."/>
