Comments	<input type="text" value="There are so many reasons to object to this application, loss of prime agricultural land being one but mostly it would be stealing the character of Hanwell, they have already had their name stolen for so many surrounding housing developments allow them to keep their village. Banbury has grown enough that it can not support what we already have with its many shortages of doctors, schools, water etc. The wildlife around the village and landscape should be cherished not built upon. Time for Cherwell to listen to the people they represent and reject this soundly as inappropriate encroachment."/>
