Comments	<input type="text" value="Please leave Hanwell alone, as you drive out of Banbury you see the green hedgerow which defines the boundary of Banbury. As much for the people of Hanwell as for the people of Banbury who will suffer if this development goes ahead. Banbury residents are already struggling to get doctor's appointments. dentists, and schools without adding to that burden. Not to mention the extra traffic this will inflict on already congested roads. We need to be able to breathe you will be taking the oxygen out of the lungs of Hanwell by stifling them with more houses, how many Hanwells are there already, Hanwell Chase, Hanwell Fields, and the list goes on. You have land that lies barren just past the Sainsbury's mini supermarket where contractors ruthlessly ripped out the hedgerows and left us with ugly barriers. Save the wildlife, save the farmland and stop this endless building. Object most strongly to this greedy land grab"/>
